#### INTRODUCTION OF THE DEFENSE ACCESS ROADS IMPROVEMENT ACT

#### HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 31, 2023*

Mr. GARAMENDI. Mr. Speaker, today I introduce the "Defense Access Roads Improvement Act," which would make commonsense reforms to reduce congestion outside military installations. The Defense Access Roads (DAR) program is a unique partnership between the U.S. Departments of Defense (DOD) and Transportation. Under the program, the Secretary of Defense designates civilian roadways that provide critical access for domestic military installations as Defense Access Roads, making them eligible for military construction funding transferred to the Department of Transportation for road improvements off base.

Military installations anchor communities across the Nation, including Tavis Air Force Base in my Congressional district. The DAR ensures the DOD pays for maintenance, upkeep, or upgrades of roads impacted by military traffic and the constant movement of heavy equipment and vehicles.

My "Defense Access Roads Improvement Act" would create a new, public process for state, county, or municipal governments to petition the Department of Defense to designate new Defense Access Roads, unlocking military funding for needed roadway improvements off base. My bill would establish a new online database for designated Defense Access Roads and any outstanding federal funding requests, which improves public transparency and holds the Pentagon accountable. Lastly, my bill would also allow roads leading to commercial shipyards used by the U.S. Navy or Coast Guard to be designated as Defense Access Roads under the program, instead of just seaports as under current law.

This is a continuation of my work last Congress on the House Armed Forces Subcommittee on Readiness, which oversees all U.S. military installations and the Defense Access Road Program. I am committed to securing additional federal investment in off-base infrastructure. As a senior member of both the Committee on Armed Services and the Committee on Transportation and Infrastructure, I plan to make this legislation a top priority.

Mr. Speaker, I encourage all Members to join me in cosponsoring the "Defense Access Roads Improvement Act."

#### HONORING PETER PARUCCINI

#### HON. DOUG LaMALFA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 31, 2023*

Mr. LaMALFA. Mr. Speaker, I rise today to recognize the life and memory of Peter Paruccini of Yuba City. Mr. Paruccini, a loving father and devoted husband, was a bright light in Northern California that was tragically cut short, passing away at the age of 39. His footprint on our area was one of service. The North State has lost one of its heroes.

Peter was a life-long resident of Yuba City, and although he split time between Santa Barbara and Yuba City, he always loved coming home to see the Sutter Buttes. Peter attended college at UC Davis where he received a Bachelor of Arts degree in History and Political Science. Peter continued to stay in the area, choosing to teach at an underserved junior high school in Davis. This was the beginning of Peter's lifelong call to serve.

Later in life, Peter felt the call to serve our country in the military. Exchanging his teaching credentials for military boots, Peter joined the United States Army in 2006 serving as an Infantryman. During his military deployment, he stood out for dedication to serve with the utmost distinction, bravery, and honor. Peter's service is something we should all try to emulate.

Upon his return from the military, Peter found a career in law enforcement. Peter worked in both the Bay Area and Ventura County before being recruited out of law enforcement to work with a large utility company thanks to his expertise in project/product management and logistics.

My heartfelt condolences are with the Paruccini family. It is with them that Peter's memory will be kept alive. Peter was a loving father to his son, George; husband to his wife, Celeste; and son to his parents, Stephanie and Luigi. May God bless their family, and may Peter find eternal rest at last. Rest in Peace.

#### HONORING MS. MARY GATANAS ON HER 80TH BIRTHDAY

#### HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 31, 2023*

Mr. RUPPERSBERGER. Mr. Speaker, I rise before you today to celebrate Ms. Mary Gatanas as she reaches a significant milestone in her life—her 80th birthday.

Ms. Gatanas has lived an impressive life up to this juncture. A strong and loving mother to Andrew and Adrienne, grandmother to Tristan, Markella and Tatum, and a devoted military spouse to Major General Harry Gatanas, Mary's selflessness and generosity are a hallmark of every relationship she has forged.

As an Army Officer's spouse through 29 years of service, Ms. Gatanas endeavored to leave her mark on every place she and Major General Gatanas were posted—a tall task considering their 24 separate moves. Nonetheless, everywhere she went, she always went above and beyond for the Army families around her.

In Germany, as a young spouse, she observed the struggles that other Army families faced finding adequate childcare amidst hectic lives as new parents in a new place. Rather than accepting the status quo, Mary put others first, creating a childcare center on base to minimize at least one stressor for these families willing to uproot their lives to serve our country.

Further down the line, on station in New Mexico on the White Sands Missile Range, now the wife of the commanding officer, she once again pushed for improvements on base. Finding that elements of a nutritious diet were hard to come by in this remote location, Ms. Gatanas fought to ensure that fresh produce and dairy products would be available to families in the commissary.

Ms. Gatanas was also an activist for military families off-base. She worked diligently to advocate for legislation that would ensure military spouses would be treated equitably in divorce proceedings when it came to accessing military retirement pay. In 1982, her efforts paid off as the Uniformed Services Former Spouses' Protection Act passed through Congress.

Amidst these impressive accomplishments, Mary never wavered on her number one priority—the up-bringing of her son Andrew and daughter Adrienne. This devotion to her loved ones has continued unfettered, as she now relishes the opportunity to shower her grandchildren, Tristan, Markella and Tatum with that same love.

Mr. Speaker, it is evident that wherever Ms. Gatanas lived, she became a catalyst for change, working tirelessly to improve the lives of all those around her. She is well-deserving of our praise on this day. I wish Ms. Gatanas a very happy 80th birthday.

#### REINTRODUCTION OF THE TRANSITION-TO-SUCCESS MENTORING ACT

### HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 31, 2023*

Mr. CARSON. Mr. Speaker, as we mark National Mentoring Month, I am proud to reintroduce legislation to the Transition-To-Success Mentoring Act to help local education agencies prepare at-risk students for the transition from middle school to high school. I would like to thank MENTOR for their endorsement of this bill and Senator BOOKER for his leadership on this legislation in the Senate.

I have had many mentors at every stage of my life, whether it was my theatre teacher in school who encouraged me to be who I am and elevated the confidence in myself to pursue sports, or my grandmother who raised me and a reason I find myself following her large footsteps. Mentors are important at every stage in life and especially at a young age. Our children need to foster these mentor/mentee relationships to look up to someone bigger than themselves.

The Transition-To-Success Mentoring Act would establish a grant program for school-based mentoring programs targeted at helping at-risk middle school students transition from middle to high school. Under my legislation, participating students would develop and execute a formalized plan for success in high school and beyond, and be supported by a school faculty member or volunteer from the community known as a "Success Coach."

Middle school is a uniquely challenging time for students and ensuring a smooth transition from middle to high school is critical to their long-term success. School-based mentoring is innovative supplement to the traditional learning that takes place in the classroom, providing underserved and at-risk students with attention and support to keep them engaged in school. This legislation is a small step towards providing some of the most vulnerable students with individual attention to help cross the bridge towards high school, college, and career.

Mr. Speaker, I hope my colleagues will join me in recognizing the need for mentors for our children by signing on to this important legislation.
